Part 6

I believe this document has huge implications not only for the Rendlesham Forest incident but Ufology in general: An absolutely MUST READ. - Steve Mera.

Appendix 8: Rendlesham Forest - Selected Locations.

1988, February: Author's first photo of Capel Green, location of the incident Warren was involved in. Note slight discoloration in soil at center left, the exact site of the incident - Photo P. Robbins. And yes, that is an unidentified flying object in the distance to the left.

1990, Capel Green that June. The green area is the exact same location pictured in the above photo as the discoloured area and discussed in the soil analysis - Photo P. Robbins.
